Summer 2018

Tenant End of Year Get Together

Please join us for our end of year celebrations. Last year's cruise around Lake Barrine was a lot of fun, and by popular request we are doing it again this year.

When: Wednesday, 19th December 2018 at 11.30am

You can meet us at Lake Barrine, or we can arrange transport for you. Please let us know if you are coming by *Wednesday, 12th December, 2018* and if you would like transport to the Lake.

Merry Christmas

From everyone at Tableland Community Housing

Our office will be closed from Friday 21st December 2018, and will reopen on Wednesday 2nd January 2019.

For any emergency when the office is closed, call 0497 192 135 or contact the contractors on your emergency list on your fridge or detailed in your lease.

Only use these numbers for **Emergencies out of office hours**. Emergencies are when Health, Safety and/or Security are at risk.

What do you get when you cross a duck with Santa?

A Christmas quacker.

DO NOT BE COMPLACENT— it only takes one cyclone to cross the coast!

The Summer storm season is upon us and now is the time to prepare for the possibility of cyclones in our region in the coming months.

Prepare your properties & stock your Cyclone Kit Now!

Being prepared simply means that you have planned what you will do *before, during* and *after* a cyclone and that you have gathered together some essential items you will need in the event of an emergency.

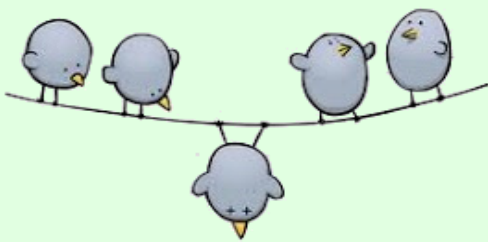

Just Like Camping. HA HA!!

Those of you who have enjoyed camping trips will be right at home with what you will need to make yourselves comfortable in a power outage or interruption/contamination of your water supply.

For more information about Emergency Plans (including Evacuation of People & Pets) Cyclone Kits, First Aid Kits etc, go to the Tableland Regional Council website www.trc.qld.gov.au/disaster management.

We have a “Prepare for the Cyclone and Storm Season” factsheet on our website www.tch.org.au. They are also available in our office.

never apologize
