Merry Christmas

From everyone at Tableland Community Housing

Our office will be closed from Wednesday 25th December 2019, and will reopen on Monday 6th January 2020.

For any emergency when the office is closed, call 0497 192 135 or contact the contractors on your emergency list or detailed in your lease.

Only use these numbers for **Emergencies out of office hours.**

Emergencies are when Health, Safety and/or Security are at risk, for example a burst water pipe.

DO NOT BE COMPLACENT– it only takes one cyclone to cross the coast!

The Summer storm season is upon us and now is the time to prepare for the possibility of cyclones in our region in the coming months.

Prepare your properties & stock your Cyclone Kit Now!

Being prepared simply means that you have planned what you will do *before*, *during* and *after* a cyclone and that you have gathered together some essential items you will need in the event of an emergency.

Just Like Camping. HA HA!!

Those of you who have enjoyed camping trips will be right at home with what you will need to make yourselves comfortable in a power outage or interruption/contamination of your water supply.

For more information about Emergency Plans (including Evacuation of People & Pets) Cyclone Kits, First Aid Kits etc, go to the Tableland Regional Council website www.trc.qld.gov.au/disaster management.

We have a “Prepare for the Cyclone and Storm Season” factsheet on our website www.tch.org.au. They are also available in our office.

I may not have gone where I intended to go, but I think I have ended up where I needed to be.
